Willy was too drunk to drive; last thing he needed was to get pulled over by the cops for crossing the center line or failing to come to a complete stop.

Willy Wadsworth turned the corner and smiled like a shark. Joe's car was nowhere in sight. Willy liked his roommate—they had been friends for years—but sometimes he needed to be alone.

Tonight was definitely one of those times.

He parked in front of their shabby apartment building, cut the engine, and sighed heavily. Having just finished an exhausting Friday of retail hell, Willy didn't feel like talking, couldn't even bear the thought of hearing the human voice. He craved a night of solitude and silence, preferably while drinking the cold ones he had purchased on the way home and puffing some dope.

Joe waited tables at a steak house; he wouldn't be home until around eleven. Plenty of time, Willy reasoned, to wind down in proper fashion.

He fixed a ham and cheese sandwich and ate it on the sofa; this while drinking beer and watching a bootlegged slasher film Joe had ordered from an ad in Fangoria. Willy loved slashers. The gorier the better. Tits. Ass. Blood. What more could a guy ask for?

Career? Marriage? Homeownership? To hell with that game. His was a simple life. Of course, this brought its own unique set of problems. Jumping from one low-paying gig to the next, Willy struggled financially. A roommate was an absolute necessity as he didn't earn enough to live on his

own. This was hard on a loner like Willy. Also, he had no health insurance, nothing in the way of retirement. He was a wage slave, earning just enough each month to meet his expenses.

As for women—well, they were another problem.

Past girlfriends had called him “immature” and “juvenile” and “adolescent” before walking out the door and never coming back.

Willy didn't miss any of them.

Sure, he longed for Missy's hairy pussy and Alice's big titties and Cat's sloppy blowjobs, but these longings weren't going to make him reevaluate or change his ways. He was his own man and proud of it.

Willy masturbated three to four times a week, always while stoned and viewing pornography. Joe kept a few stroke mags between his boxspring and mattress. Unbeknownst to his friend and roommate,

Willy “used” these magazines every time he rubbed one out. Joe probably wouldn't have minded, but Willy wasn't about to seek permission for fear of having to buy his own dirty magazines, which weren't exactly cheap.

The movie ended. Willy got up, plucked a fresh beer from the fridge, and padded to Joe's room. Joe always had at least a quarter in his underwear/sock drawer. Willy didn't see it as stealing, since they often got high together, more often than not on Joe's stuff. Still, he didn't get carried away, pilfering just enough to roll a small, pinner joint.

He got stoned on the sofa, and moderately drunk. Sitting there in an old T-shirt and boxersshorts, his eyes glassy and red, he thought about Missy's hairy pussy. His dick got hard.

Willy got up and once again padded to Joe's room. Crouching beside the queen-sized bed, he lifted the mattress. And frowned.

A sheet of yellow legal paper had been taped to the cover of his go-to magazine. There was writing on the paper, an angry scrawl of blue ink which read: BUY YOUR OWN FUCKIN' PORN!

“Shit,” Willy muttered.

Busted! But how? He had always handled the magazine carefully, making sure not to get any cum on its pages. Still crouching on the floor, he flipped to his preferred spread.

And frowned again.

His heart sank when he spotted the tiny little stain on the model's ass. The darkened area—no bigger than a sesame seed—was crinkled and crusty. Damn, Willy thought. He hadn't been careful enough. Betrayed by a stray drop of jizz. He recalled his last masturbatory session, silently berating himself for being so drunk that he hadn't noticed the incriminating stain.

through the neighborhood would do him some good. Just so long as he didn't bust his ass and wind up in the emergency room.

The beginning of his journey was dicey. Willy's legs felt like rubber. By the second block he started to feel better, his beloved Vision with Indy trucks and Sims wheels becoming an extension of himself. He cut through a supermarket parking

Sighing heavily, he returned the magazine to its proper place, arranging it just as he had found it. He grabbed another beer from the fridge and sat on the sofa and brooded. Joe was right. He should buy his own porn. Sneaking around behind his friend's back, not to mention jerking off with his mags, was a shitty thing to do. A major invasion of Joe's privacy. Willy should have known better.

Hell, he did know better.

But his dick had a mind of its own.

Now it was talking to him, telling him to get off his ass and go back in there and beat his meat. Willy thought it over. He would be extra cautious, treating the magazine as if it were a valuable collector's item. No stray drop of jizz. No errant pubic hair. Nothing to tip Joe off.

Willy couldn't do it. His conscience wouldn't let him. Of course, he had to jerk off tonight. Otherwise, he would never fall asleep. A trip to the store was in order. Time to take Joe's advice . . .

Willy was too drunk to drive; last thing he needed was to get pulled over by the cops for crossing the center line or failing to come to a complete stop. No problem. The Speedy Quick was only three blocks away.

He could walk.

Or ride his board.

Willy hadn't skated in several months. A short cruise

lot, styling and pushing faster as he gained confidence.

It felt good to be skating again. Damn good. He loved the sound of urethane on pavement, the feel of the board under his sneakered feet, the wind whipping his hair. Not wanting to press his luck, he didn't do any tricks. But it was tempting. He almost tried to boneless over a parking block but chickened out at the last second.

Not now, Willy thought. Maybe tomorrow when you've sobered up.

Breathing heavily, his legs burning, he kicked up his board in front of the store and walked inside. The dirty magazines were behind the counter. Willy could see them from where he stood beside the Defender machine. The bored clerk, a middle-aged woman with a cigarette jutting from her mouth, didn't bat an eye when he told her what he wanted.

"Which one, honey?"

"Right there," Willy said.

"This one?"

"No," he said. "One Over. To the right."

She placed the magazine on the counter. "Anything else?"

"That's all."

The current issue of OUI cost \$3.75 plus tax. No small sum for Willy. But it was a necessary expenditure. At least until he found himself another girlfriend. And that could be a very long time.

"You be careful on that thing," the clerk told him. "My brother broke his arm on a skateboard."

"I'll be careful," Willy said.

Board in one hand, magazine in the other, he stepped outside. Willy rolled up the mag and shoved it in his back pocket. No sooner had he placed his board on the pavement than a voice called him from behind. He turned to see two chicks—they hadn't been there when he had gone inside—loitering in front of the store. One was on the payphone. The other, a redhead in a black miniskirt and fishnet stockings, asked him if he had a light.

Willy didn't smoke cigarettes, but he always carried a lighter for this very reason. Ignoring the redhead's proffered hand, he lit her cigarette for her. She eyed him through the smoke, seemingly unbothered by her friend who had started hollering into the phone.

"We need a favor," she said.

Willy didn't say anything.

"We need some beer."

Old enough to vote, he thought, but not buy beer. The world didn't make any sense.

"Fuck you!" said the other chick.

She slammed the phone down. The redhead gauged Willy's reaction to the outburst. He felt like he was being

Her friend would lick his balls. They would switch places. Willy would explode in their faces.

"—you okay, man?" the redhead said.

Willy returned to Earth.

"What are you on?"

"Give us some," her friend said.

He asked them what kind of beer they wanted.

"Whatever's cheapest," the redhead told him.

"Twelve-pack," her friend added.

"Be right back." Willy took the money and went inside.

The clerks said, "Forget something?"

"I got thirsty," he told her.

Moments later, having completed the mission, Willy skated back to his apartment. He skated faster on the way home, took more risks. Still no tricks, but it wouldn't be long if he started skating more often. He was eager to check out the magazine, eager to pump his pecker and shoot a hefty load of jolly juice.

Joe was still at work when Willy rolled to the curb and stepped off his board. He unlocked the door and made a beeline for his room.

Tearing open the plastic wrapper, he liberated the magazine. Willy dropped his shorts and sat on the bed. It didn't take him long to find his favorite spread. Brunette. Big

evaluated, like maybe he was an actor trying out for a part in a play.

"Would you buy us some beer?" she asked, already digging into her purse.

"We're going to a party," her friend said.

If life were a porn flick, Willy thought, he would get his dick sucked in exchange for buying the beer. The redhead would give him the money. He would go inside, purchase the beer, come back out and hand it over. The three of them would walk behind the store. He would drop his shorts. They would kneel before him. The redhead would suck his dick.

tits. Nice ass. Hairy cunt. He stroked and jerked and tugged and blew a sizable wad all over the model's ass. Willy hadn't meant to do that, but the excitement had been too much for him. He had gotten carried away, swept up in the fantasy of screwing the hot brunette.

He got some toilet paper from the bathroom and cleaned the page. Then he took a shower. Willy was in bed reading the magazine when he heard Joe's car pull up outside. A short story by some guy named Bukowski. A real ugly fucker.

Willy had never heard of him.

I'll admit I have a high sex drive. I told my man that was the case when we got together. I was an animal on him every time we fucked, but that wasn't enough for me. I mentioned a number of times that I wanted to play with other men. He was not into that so I moved on, and sex has been even better!

MISSED RENT PAYMENT

...we all had a couple rounds of drinks when Isiah suddenly turned to me with a mischievous glint in his eye.

A sharp knock sounded at his apartment door, and Bryce sighed. He opened it to reveal a striking woman about twenty years his senior, her blue eyes flashing with annoyance. “Mr. Harper,” she crossed her arms over her chest. “I believe you’re behind on this month’s rent. I trust you have a good reason?” Bryce stepped aside, inviting her into his small, cluttered apartment.

“Come in, Ms. Klein. Let me explain,” he said, running a hand through his hair. She stepped inside warily, her heels clicking on the hardwood floor. Bryce closed the door behind her, turning to give her a charming smile. “Things have just been really busy lately, with classes and work. College is a nightmare on its own, I didn’t mean to forget the rent payment.” Ms. Klein’s eyes softened slightly, and Bryce saw his opportunity. He took a step closer to her, “Is there any way I could make it up to you? Maybe...maybe we could work out an alternative arrangement?” he suggested, his voice low. Ms. Klein’s eyes widened and a scarlet blush rose to her cheeks.

“Mr. Harper! I can’t accept anything you might be suggesting,” she scolded, but Bryce could see the hint of intrigue behind her eyes. He reached out to take her hand in his own.

“Please, call me Bryce. And I insist, Ms. Klein. It’s been a long time since you’ve had a good time, hasn’t

it? Let me show you one. I promise, I’m worth it,” he said, his thumb stroking the soft skin of her wrist. Bryce gave her a moment to think before stepping back and removing his shirt, revealing his toned chest and abs. His eyes never left her face, watching out for any signs of serious discomfort. She stared, seemingly mesmerized as he leaned in closer. Pressing his lips to the side of her neck, Bryce felt her pulse jump beneath his touch. He kissed along her jaw and down across her collarbone, his hands gently roaming over her waist and down her back.

“You’re so beautiful,” he whispered, “I want to make you feel good, Ms. Klein. Your body deserves to be worshipped.” Testing the water, Bryce snuck his fingers below the hem of her blouse and pushed it up. Ms. Klein took the hint and removed the shirt herself. He couldn’t help but grin. Reaching behind her, he unclasped her bra and unveiled two gorgeously large mounds that overflowed his palms. “That’s what I’m talking about,” he said.

Dipping his head down, Bryce pressed kisses all over her tits. Ms. Klein trembled, a soft gasp escaping her lips. He could feel her body responding to his touch despite her reservations. Bryce peppered kisses down her stomach, pausing at the waistband of her skirt. With a swift tug, he pulled the fabric down her

long, shapely legs. Leaving her standing before him in only her heels and panties. His cock strained against his jeans as he settled onto his knees in front of her, hands caressing the backs of her thighs.

“Spread your legs for me,” he ordered. Hesitantly, she complied, and Bryce quickly leaned in to smell her arousal. He pressed his lips to her panties, tongue tracing her slit through them. Ms. Klein clenched his hair as he mouthed at her through the damp fabric. Impatient, he pulled the fabric to the side and delved his tongue between her slick folds.

“Oh god,” she whined, her hips rocking against Bryce’s face as he ate her out. His tongue flicked over her clit, sucking it softly for a moment before circling it again. With a sharp cry, Ms. Klein came. Almost losing balance, she grabbed onto his shoulders and moaned his name. Bryce lapped up her essence, only easing up when she gripped his hair tight. Standing up, Bryce took in the sight of his landlady, disheveled and panting. He reached down, unzipping his jeans and shoving them down along with his boxers. His large, thick cock jumped up, eager to play. Licking her lips, she stared at his impressive length and toned body.

“Do you want it, Ms. Klein?” Bryce asked. “Forgive my late payment, and I’ll give you exactly what you need.” The temptation was too great to resist for her.

“Yes, just give it to me.”

Scooping her up into his arms, Bryce carried her over to the couch just a few steps away. Removing the

last strip of fabric from her body, he positioned himself between her spread thighs. Taking a moment to rub his tip along her entrance, he savored the wet heat of her pussy. Bryce thrust forward and buried himself deep inside his landlady. She cried out, her back arching off the bed as she was stretched and filled. Bryce groaned and began to move, hips snapping forward to meet hers. He pounded into her, fingers digging into the soft skin at her waist as he drove her towards another orgasm.

“Yes, yes, don’t stop!” Nails raked down Bryce’s back. She could feel another orgasm building, her walls starting to flutter around his pistoning cock. Bryce could feel it too, and refused to let up the relentless pace. Determined to make her come on his cock. With a final thrust, he buried himself deep, grinding his pelvis against her clit as he filled her with his potent, thick cum. Pussy clamping down on him, she came harder than she ever had before.

Her spasming muscles almost made him want to fill her up with a second load. But his cock was already softening and slipping out. A stream of white leaked out of her and dripped down her thighs once she stood.

“There’s your rent, Ms. Klein,” he quipped, tugging his clothes back on. “I hope we can work something out again next month, too.” He ushered her out the door with a playful smack to her ass and a wink.

You know, no one has ever asked me about my cute little ass, but I know they all talk about it. As long as I can remember, I've had a pretty round rump. It fills out a pair of jeans nicely. But naked, it's really very nice. Even I think so. But no one has ever been in there - yet. I haven't decided if or when or to who I want to give it up.

We couldn't wait for this sizzling blonde beauty to strip down and reveal her perfect firm breasts and perfect pussy. Anette took a dip in the pool while we waited for the crew to set up, but she is so hot, the waters didn't have a chance to cool her down. She got out... and needless to say... it took the crew a couple hours to set up.
